Dear Sir,

FUNDS TO BE ALLOCATED TO LANGEBERG MUNICIPALITY FOR 2025/2026 FINANCIAL YEAR

This communiqué re-confirms our consultation on the above-mentioned matter which was held on 20 November 2024 via MS Teams serves as a notification in terms of section 37(2) of the MFMA to enable Langeberg Municipality to include allocations from the Cape Winelands District Municipality in your budget and to plan effectively for the expenditure of such allocations.

In terms of the signed Transfer Payment Agreement (TPA) between the Provincial Department of Community Safety and Cape Winelands District Municipality, last mentioned intends to provide capacity and support for the local municipalities within its area of their jurisdiction. In order to address safety in the Langeberg municipal area, **seventy-five thousand rand (R75 000)** is envisaged to be transferred to the Langeberg Municipality for the 2025/2026 financial year, hence these funds should reflect in the afore-mentioned financial year. Kindly alert your CFO accordingly.

For information and as per our discussion, the funds allocated to the municipalities across the district were proportionally allocated and we strongly recommend that these funds be utilised to address the social issues for example, gender base violence, training of mediators etc. to enhance community safety in your municipal area.

Yours faithfully
