The Cape Winelands, one thousand things to do and then...some wine!

A note from the Executive Mayor and Municipal Manager

Ald (Dr) Elna von Schlicht
Executive Mayor:
Cape Winelands District Municipality

Dear Friends and Visitors

It is with eager anticipation that I extend a warm invitation to you all to attend the **Winelands Autumn Expo** taking place in Worcester on 24 and 25 May 2024. This event promises an immersive experience where you can taste, explore, and revel in everything that the Winelands has to offer! I encourage you to extend your visit and make a weekend of it by staying at any of the delightful accommodations in and around the Breede Valley.

The Winelands Autumn Expo is held in response to the numerous requests from our esteemed partners involved in economic development,

tourism and agriculture. Our primary objective is not only to showcase the diverse offerings of the Cape Winelands District, but also to foster an environment conducive to sustainable economic growth.

During my time as Mayor I've become more familiar with the tourism sector and have come across some fascinating insights. Did you know that for every eight tourists who stay overnight in a town or area, one full-time job is created? Furthermore, in our Cape Winelands, tourism stands as the biggest economic contributor after agriculture. Remarkably, the Cape Winelands boasts the highest rate of repeat visitors, surpassing even that of Cape Town! Additionally, the Winelands forms a part of the world's longest wine route.

With our breathtaking scenery offering endless opportunities for thrill-seekers and nature enthusiasts, coupled with our delectable foods and wines and the warmth of our hospitality, both locals and visitors alike are spoilt for choice. Join us as celebrate all that is good in the Winelands – the places to stay and celebrate, experiences to remember and tastes to savour.

I am immensely proud to welcome you all to the Winelands Autumn Expo and invite you to discover why we proudly proclaim, **"The Cape Winelands. A thousand things to do and then...some wine!"**.

*Looking forward to seeing you there.
Warm regards*

Elna von Schlicht

Dear Reader

It is with immense pleasure that we unveil the inaugural **Winelands Autumn Expo**, which is held in collaboration with our partners, the Breede Valley Municipality. We eagerly anticipate a weekend filled with delectable food, award-winning wines, captivating entertainment, and a showcase of the remarkable talent inherent to the people of the Winelands.

As the Cape Winelands District Municipality (CWDM), serving as the Regional Tourism Office and fulfilling our mandate of local economic development, we recognise our responsibility to foster an environment conducive to a flourishing tourism sector and economic prosperity. To this end, we employ various strategies such as the funding of local tourism associations (LTAs), support for small, medium and micro enterprises (SMMEs), and the cultivation of partnerships.

The success of the Expo is not a solitary endeavour; rather, it is the product of dedicated teamwork and robust partnerships. The collaborations forged by LTAs with their members and our engagements with private enterprises, fellow government organisations and related industries such as Wesgro and SA Wine all play pivotal roles in the realisation of this event.

We are delighted to welcome special guests from Namibia, as our partnership with Namibia Tourism continues to thrive. Their attendance at our Expo exemplifies the strength of our collaboration and the impact we have when visiting elsewhere.

In our commitment to sustainability, the CWDM has allocated funding to ensure that the Expo has the best opportunity to develop into a self-sufficient event over the next five years. Moreover, we have planned to rotate the venue annually, allowing each municipal area the opportunity to reap the benefits of this showcase.

Mr Henry Prins
Municipal Manager:
Cape Winelands District Municipality

I am personally thrilled to observe that the majority of exhibitors hail from the Winelands region. I eagerly anticipate discovering some of the lesser-known gems and indulging in winter delicacies. Additionally, I am excited about the diverse entertainment lineup, featuring talents I have yet to experience.

I urge you to secure your tickets and join us for a weekend of celebration, innovation and community spirit.

Warm regards

Henry Prins
